IN STOCK*

Aluminum Heavy-Duty Quick Release Tripod

Stable support for demanding survey and construction jobs.
Quick-release clamps make setup fast and secure.

Flat-head configuration shown

Fast setup, positive lock

Positive-lock quick-release clamps speed setup and help secure each leg at working height.

Stability for field use

Double-banded legs, heavy-gauge aluminum and wear-resistant powder-coated hardware.

Ready for survey equipment

Flat 5/8-11 head and replaceable pointed feet support total stations, GNSS, levels and lasers.
