Aluminum Mini Tripod

Compact support for low-height instrument setups,
with sturdy aluminum construction and secure wing-screw clamps.

Carrying strap and adjustment tool included

Compact footprint

A low-profile design fits smaller setup areas.
Extends to 28.5 in and collapses to 22 in for transport.

Secure, precise mounting

Wing-screw clamps hold each leg in position.
Machined flat head features a standard 5/8-11 thread.

Built for field use

Aluminum castings have a wear-resistant powder coat.
Replaceable shoe points support continued service.
