SECO 5301-31-BLK

Heavy-Duty Aluminum Tripod

Dependable support for surveying and construction, with square aluminum legs and fast Quick-Clamp adjustment.

Black hardware with square aluminum legs

Square-leg stability

Square outer dowels provide a secure leg lock. Heavy-duty construction handles demanding field use.

Quick-Clamp adjustment

Set up and adjust the telescopic legs quickly. Clamps hold the selected leg extension securely.

Ready for survey instruments

The 5/8-11 threaded adapter accepts compatible lasers, auto levels, theodolites and total stations.
